

WEEKLY UPDATE

WEEKLY UPDATE AND NOTIFICATION OF NEW CASE

1-15-2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 69 residents and 27 staff members test positive for COVID-19. We had one new positive case of COVID-19 in a resident this week. After testing all residents and staff, no other positive cases were identified. The resident that was found to be positive has been transferred to one of our sister facilities that maintains a positive COVID Unit. Our management team has reached out to all responsible parties with the use of the current contact information we have on file, with notification of the current COVID-19 positive status of the 1 resident this week. All residents will continue to be monitored daily for any change in condition, and all staff is screened daily prior to the start of their shift. The facility continues to follow the CDC and DHEC guidelines for surveillance testing weekly.

Our first COVID Vaccination clinic was held on January 5. Our second clinic is set for February 2. If you wish for your loved one to receive the vaccine, please contact the facility at the number listed below and ask for myself or Tonya Shelton, RN-DON.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 843-821-5005.

Sincerely,

Gwendolyn Robinson, LNHA

Hallmark Health and Rehabilitation Ctr. WEEKLY UPDATE
June 23, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that we currently have no confirmed cases of COVID-19 in our facility.

We are continuing to offer options for outdoor / indoor visitation with advance scheduling at the following times:

Monday – Friday 9:15 am 10:00am 10:45am 11:15am 1:15pm 2:00pm 2:45pm 3:30pm 4:15pm

And

Saturday – Sunday 10:00am 10:45am 11:30am 1:15pm

We are limiting 2 visitors at one time per day to allow all residents the opportunity to receive visitors.

You will be asked to complete a visitor Covid-19 Waiver and Release of Liability form as well as complete the Covid-19 screening checklist prior to your visit. This is required regardless of the vaccination status of the visitor.

If the resident you are visiting is in a semiprivate room, you will be asked to visit in a designated area in the facility which can be monitored by facility staff for infection control practices.

Please contact the Receptionist at 843-821-5005 to schedule your appointment.

Please continue to check our website(fundlhc.com) for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 843-821-5005.

Sincerely,

Anne O Winn

Interim ADMINISTRATOR
