

## **WEEKLY UPDATE**

**1/10/21**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 92 residents and 41 staff members test positive for COVID-19

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 803-655-7101.

Sincerely,

*Melissa Kizer*

**WEEKLY UPDATE**

**02/07/21**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 103 residents and 50 staff members test positive for COVID-19.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

We will be offering the Covid vaccine at our facility on February 10, 2021. If you have not given consent for your loved one to receive the vaccine please do so by calling the facility and speaking with Vana Williams, RN at 803-655-7101.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

**WEEKLY UPDATE**

**03/21/2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 103 residents and 52 staff members test positive for COVID-19.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Our third Walgreens vaccination clinic was held on March 10, 2021, with great success.

We are currently able to have visitation, as many of you have received a letter in the mail asking you to schedule your 30 minute visitation time with the receptionist. Visitation will be held on Tuesdays, Wednesdays, Thursdays and Sunday's between 1:30 and 4:30pm. Please schedule your appointment at least 24 hours in advance. If your resident has had both covid vaccinations you will be able to touch and/or hug them during your visit. We ask that you wear a surgical mask for your visit and you will be screened at the door with a temperature taken.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

We are currently able to have visitation, we prefer that you schedule your 30-minute visitation time with the receptionist, so that we can ensure that we do not have too many families in the building at once. If your resident has had both Covid vaccinations you will be able to touch and/or hug them during your visit. We are able to visit indoors in designated locations. We ask that you wear a surgical mask for your visit and you will be screened at the door with a temperature taken.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

## COVID NOTIFICATION

8/4/2021

### Number of Confirmed COVID-19 Cases Currently in the Facility

Staff: 1

Residents: 0

### Date of Last Newly Confirmed COVID-19 Case:

7/29/21

### Visitation Status:

**We are currently having outside visits at this time. Family and Friends can call the Receptionist to set up the time**

### Facility Safety Precautions:

We continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Thank you for your support throughout this pandemic, and as always, if you have any questions or concerns please contact us directly at 803. 655.7101.

Sincerely,

*Melissa Kizer*

## **WEEKLY UPDATE**

**8/19/2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update on the status of COVID-19 in our facility.

**Please note that beginning August 1, 2021 we will no longer be posting weekly updates on our website.** We will, however, continue to notify you through our website of any changes in visitation procedures and if we receive confirmation of a new positive case in our facility. We will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

### **Number of Confirmed COVID-19 Cases Currently in the Facility**

Staff: 1

Residents: 5

### **Date of Last Newly Confirmed COVID-19 Case:**

8/16/21

### **Visitation Status:**
